In accordance with the Memorandum Opinion entered this day, it is hereby

**ADJUDGED and ORDERED**

that these eight (8) civil actions are hereby **CONSOLIDATED** for disposition; all eight (8) civil actions are hereby **DISMISSED** without prejudice, pursuant to 28 U.S.C. §1915A(b)(1), for

failure to state a claim; and all eight (8) actions are stricken from the active docket of the court.

Plaintiff is advised that federal law provides that a prisoner may not bring a civil action without complete prepayment of the appropriate filing fee if the prisoner has brought on three or more occasions, an action or appeal in a federal court that was dismissed as frivolous, as malicious, or for failure to state a claim upon which relief may be granted, unless the prisoner is in imminent danger of serious physical injury. See 28 U.S.C. §1915(g). **Because of the overlapping nature of plaintiff's claims in these eight civil actions, the simultaneous dismissal of these eight complaints shall only count as one qualified dismissal under 28 U.S.C. § 1915(g).** Thus, plaintiff is advised that he now has at least one "strike" under § 1915(g), and if he has previously had, or in the future has, two or more other civil actions in federal court dismissed on the grounds cited in § 1915(g), he will no longer be allowed to file any civil action in federal court without prepayment of the \$350.00 filing fee, unless he demonstrates imminent danger of serious physical harm.

The Clerk is directed to send copies of this order and the accompanying memorandum opinion to plaintiff.

ENTER: This 26<sup>th</sup> day of November, 2008.
